**Achieving Clarity
in 2019**

1st February 2019

In this module we'll reassess your business' purpose, values and aspirations. We'll look at your business model, your experiences in 2018 and redefine your vision statement for the year to come

**Measuring
Impact**

8th February 2019

We'll then look at your business' mission, how your goals should be aligned to it and what measurements you should have in place to ensure you're assessing your performance throughout the year

**Art of
Implementation**

19th February 2019

Finally, we'll look at the art of implementation and focus. We'll discuss how you can turn your goals into tangible actions and how you should review the impact of each of these

**Suitable for senior managers and business owners,
group sessions available upon request**

- **Two time zones offered to enable you to participate from anywhere in the world**
- **We want your business to grow and offering this for just £199 or \$250 for the entire process**
